[THINK] Thinking:

I should ask which work
are needed.

5

[THINK] Thinking:

I should search the web for
both recent and prior work.

6

[ACT] Web Search:

I am searching the web for
both recent and prior work.

```
web_search(attention ...)  
web_search(multilayer...)
```

[ACT] Apply Edits:

I am applying edits with
information from the Web.

```
add_slide(slide_i=8, ...)  
update_text(slide_i=7, ...)  
add_slide(slide_i=6, ...)
```
